¶1. (SBU) Per reftel request, Emboffs conducted a post-shipment check of Ogma Industria Aeronautica de Portugal (Ogma) regarding license 050101274 concerning aircraft parts and components sold by Dynatech International Corporation to Ogma. Saul Pascoal, Ogma's Director for Government Affairs, confirmed that the parts exported by Dynatech International Corporation were minor spare parts and components manufactured by Rolls Royce and Lockheed Martin and that the parts and component were being used only for the purpose and by the end-users stated on the license. Per telephone conversation with Blue Lantern Coordinator December 4, emboffs requested a sample invoice from Pascoal, which he provided December 17. That invoice has been forwarded to the Blue Lantern Coordinator, who indicated that the invoice was sufficient to comply with this Blue Lantern request.
